For US orders in (US dollars) ____ For Canadian order in (US dollars) ____ For Over Seas/Off shore in (US dollars) ____

1. **STICKIDS for Therapist'n EVERYONE** (1 disc, start up booklet and sample keyring) AMOUNT
 ____ x \$119.95 USD for US order; ____ x \$109.95 USD for Canadian order; ____ x \$119.95 USD for offshore order = _____

*Designed for PCs Windows XP/Vista 32 bit systems. Works on Windows up to 10 & 64 bit systems involves simple manual fix via tech memo included within Quickstart Booklet with product. Macs OSX requires "Parallels V4" or Boot Camp" and Windows. License allows single user to install to several sites: multiple users allowed 1 install to single standalone PC with single data base shared between users. Disc duplication prohibited. SticKids is not supported for network, lab environments or net books. Designed for English Windows platforms but may work on other language platforms Disc needs to be in to run – supplemental fee for virtual load without disc - below. **90 free tech support keep your receipt***

2. **STICKIDS VIRTUAL LOAD** do you have a computer without internal DVD drive or would prefer not to have the disc in to run? If so for an **additional fee on top of #1**; our SticKids technician will assist you with a remote "virtual load" once you have received your product by mail. You **must first buy product above** for basic product then check off here to also order the virtual load.

#1 plus \$60 USD = _____

3. **SUPPLEMENTAL TECH SUPPORT** SticKids offers free tech support both indirect memos & direct virtual tech intervention for first 90 days from purchase to assist you with your first SticKids set up. There after most users resolve minor challenges via Quick Start Booklet or downloading tech support pdf on last page of website or email to infotech@stickkids.com memo support. After the 90 days - if formal online virtual tech support is desired/ required then a fee of \$25 US will be billed

\$25 USD for all customers = _____
